Dear All,

Due to the current economic climate in our country and also the need for us to have as many Old Tigers taking part in our launch event, the contribution amount has been reduced to **R 500** instead of the initial **R 1000** that was suggested. Part of the amount will go toward launching the Alumni Association and the rest toward the Tiger Kloof Bursary Fund. We will also be eliminating the intended launch T-shirt and reducing the luncheon to a single main meal and dessert. Lebo Mogomelo (2006) arranged for an emerging artist from Botswana that is under her management, to come and perform for us. Details will be communicated at a later stage.

A kind reminder once again, that the intention of this endeavor is to get the Alumni Association operational. To those who will not be able to attend the launch, your contributions will be greatly appreciated as it will go into the bursary fund. Please note that the revised date for final payments is now **31 August 2022**.

In launching the Alumni Association, we will be creating a platform that will help us reconnect with old friends and to create networking opportunities that will impact the school and its current learners positively. Over the years, we have had many conversations around creating a network such as this and now the opportunity has been created to put words into action.

Once again Included in here, is the institution's banking account so that everyone knows where to send their contributions.
