Portion 5 Waterloo Farm, Vryburg District, VRYBURG, 8601, South Africa

Dear All,

We are now left with just over two weeks before the launch event. The planning committee has concluded that all the last contributions are to be made by the **15th of November 2022**. The launch will take place as intended, with a small luncheon for those who will attend. All should be reminded that the luncheon is not the most important part of the launch but rather the establishment of the bursary fund is.

The committee further concluded that options are still open for those who will not make the event to either pay the R500 contribution that will go straight into the bursary fund or choose an amount (higher or lower) to go to the fund regardless of the fact that one will or will not make the luncheon on the **26th of November 2022**. It is important to note that the **R500** is neither the minimum nor the maximum contribution amount one can make toward the bursary fund. Any amount will be accepted with open arms.

We would also like to convey our gratitude to those who have already contributed towards the fund and the launch. We are very determined to making sure that the launch happens this year so that the years that follow will have some form of blueprint.

Let us all put our words into action. This initiative is dedicated to creating a tangible legacy by our Alumni. Thus, for those who still need to make their contributions to please do so before or on the **15th November 2022**. Any contribution afterwards (in the days, weeks or months that follow) will go into the bursary fund.

Included here, is the school account once again so that everyone knows where to send in their contributions.

Bank name: Standard Bank

Address: 56 Market Street, Vryburg, 8600, South Africa

Branch name: Vryburg

Branch code (Routing number): 050201
