Dear All,

We are gradually approaching the set date for the launch of the Alumni Association. This second mail-out serves to remind everyone that we need to start putting words into action. In addition, please note the main priorities of this event are to actually start the Alumni Association and most importantly to contribute funds that will act as seed money for the Alumni Bursary Fund. The aim is to also elect a standing committee that will tend to matters of the association for one year and thereafter a new one elected every year. On the day of the launch, a panel will be elected by the attendees to whom applications for the committee will be sent. This will ensure that the committee is selected by you and will serve your interests. Below are a number of things we still need to get out of the way:

- Kindly remind everyone on our different WhatsApp groups to continue registering
- We need t-shirt sizes from everyone as soon as possible please send them to the email address provided in the first mail-out.
- To all those that cannot attend the launch, you are more than welcome to donate whatever amount you can afford. This can be deposited into the institution account as well.
- We urge you to make payments as soon as possible so that we have enough time for planning.
- All contributions to be in by the **31st of July 2022**
